Senior Academic Awards 2020

As the end of the year is upon us, it was wonderful to be able to acknowledge the successes of our senior students at prize giving. The evening really was a culmination of everyone's hard work, over what has proved to be difficult and challenging circumstances, and it really was a lovely celebration.

Over the year staff and students never lost sight of the end game, which was having every student reach their full potential both in and out of the classroom.

Congratulations to all the award winners and to their families - we are very proud of you.

I can do all things through him who strengthens me.
