Senior Academic Awards 2021

As the end of the year is upon us, it was wonderful to be able to acknowledge the successes of our senior students at our prize giving ceremonies. Whilst the year has been difficult, and this was quite a different experience than normal, all three occasions were a real celebration of successes that happened over the year.

Staff and students have never lost sight of the end game, which was having every student reach their full potential both in and out of the classroom.

Congratulations to all the award winners and to their families. We are very proud of you.

I can do all things through him who strengthens me.
