Junior Academic Awards 2023

Over the last two or three weeks of 2023 our junior students have been given a myriad of experiences outside of the classroom. They have been given opportunities to compete, to have fun, to forge connections with their peers, and to engage with staff in diverse settings. There was a real buzz around the school and this ending was culminated in a beautiful school Mass and Junior Prize Giving.

Thank you to staff for all their work in making these events so rewarding for our students, to students for their engagement, and to whānau for their support.

This newsletter details students who were acknowledged at the prize giving. Congratulations to all these students, we are very proud of each and every one of you.

Finally, I wish you all a wonderful summer holiday and the joy and peace of Christmas. May you have time to reflect on the light of Christ and be the light for others.

Ko ahau te whakamārama o te ao – I am the light of the world.
