Welcome to all members of our community to 2024. I trust that you have had a great break and are looking forward to 2024 with excitement and anticipation.

We have had a great first week and have been delighted with the positive attitude students have returned with and how quickly they have settled into their learning. We are committed to ensuring the best possible learning outcomes for all students and are focusing on our core values: Mana Atua – loving God, self and others, Mana Tangata – respect, Mana Tīpuna – acknowledging forebears, Mana Whenua – care of our environment, and Mana Mātauranga – pursuing academic excellence. Thank you for your on-going commitment and support and for the effort you have put into preparing your student for the start of the school year. We look forward to working in partnership with you to enable your student(s) to achieve to the very best of their ability and develop the skills to be successful.

He waka eke noa – we are all in this together.

Phones Away for the Day

The new phone rules based on the Government's ban on cell phone use in schools are in place for this year. The new regulations require that schools must ensure students do not use or access a phone while they are attending school, including lunch time and breaks. This includes students who are on a school course or visit outside the school grounds.

Please refer to our website and/or an email dated 29 January for the exact details of our processes around this requirement.

Uniform

Our uniform regulations are available on our website <https://www.sacredheartcollege.school.nz/our-school/day-day-information/uniform>

Your support in ensuring your student is wearing the correct uniform and with pride is appreciated.

Please note that we have a stock of correct sandals in the office for students to wear should they come to school in the incorrect footwear. Black school shoes and white socks or black or brown sandals with a back strap can be worn all year round.

If you have concerns about providing the correct uniform for your student, please contact their kaiārahi in the first instance.

Condor Sevens National Tournament

In early December our Rugby Sevens team played in the Condor Sevens National Secondary School Tournament held in Mt Maunganui. Participating schools needed to qualify to play, with 18 schools taking part.

Our Sevens team were unbeaten in pool play and then won their quarter final in a close game. Unfortunately, they went up against the top team, Manakura, in the semis, and then narrowly lost the 3rd/4th playoff to Mount Albert Grammar. Coming 4th is an incredible achievement. Congratulations to the team, coaches, and manager.

Kōrero ā Whānau Conferences

The conferences with your student's Kaiārahi are happening on:

Thursday 15 February: 1.00pm – 7.30pm

Friday 16 February: 8.30am – 4.00pm

All students work from home on these days

These are compulsory for every student. This is a great opportunity to meet and make goals/ look at next steps in your student's learning.

Every student has been given a planning sheet to take home so you have an idea of what will be discussed at the conference. Please have a discussion with your student and bring this with you to your conference. Bookings open on Wednesday 7 February at 8.00am.

We are looking forward to meeting with you all. An email will be sent in Week 2 on how to make a booking.

Workshops for whānau are also being held on both days:

- How to get on the school portal
- How to read weekly reports
- How the new NCEA works

Host Families

As part of our international programme, we have a group of students from Tezukayama Gakuin in Osaka Japan, visiting us from 1-13 August 2024. Tezukayama Gakuin has been visiting SHC for a number of years now and they love coming to our school.

We are currently looking for host families. We would like to place one or two international students per family. Students can share a room.

The Homestay Fee is \$310 per week per student. You will need to provide the student with three meals a day and organise transport to and from school.

If you are interested in hosting an international student, please contact Sarah Knowles and ask for an application pack international@sacredheartcollege.school.nz.

Please note, all persons 18 years or older who live on your property will need to be police vetted. We cannot offer you a student if anyone in your household has a criminal conviction. Our Homestay Coordinator will also visit your family and view the accommodation.

Congratulations

Congratulations to two of our 2023 Year 13 leaders who gained additional scholarships at the end of 2023.
