Senior Academic Awards 2024

As we approach the end of the school year, it is a time for celebration and reflection on the incredible journey of our senior students at Sacred Heart College. In a world where increasingly we face huge social challenges, to be able to celebrate young people who are engaged in physical, social justice or cultural activities and are striving to do their academic best, is all we can ask; these things are essential for the wellbeing of our country and future generations. I am immensely proud of their accomplishments, both in and out of the classroom.

Our dedicated staff have worked tirelessly to prepare our students for their futures, equipping them for the adventures and challenges that lie ahead. Above all, we want our leaving students to find happiness and to know that they are infinitely loved, no matter what life brings their way.

Thank you for allowing us to be a part of your journey. We pray that God keeps you in the palm of His hand as you step into the next chapter of your lives.
