Junior Academic Awards 2024

On Wednesday 11 December we celebrated our final prize giving for the year acknowledging the hard work and achievement of our Year 9 and 10 students. Over the past two and a half terms, I've had the pleasure of working alongside these students—teaching Year 10 RE, attending camp, joining the Marae trip, and watching them all participate in sport, performances at Hutt Fest, and the Junior Production. I've seen many of them excel academically and achieve their goals, and I am incredibly proud of all that they have accomplished. They are a stunning group of students, full of passion, energy, and enthusiasm.

As we finish the year it is a good time for us to reflect on how we have impacted others. We are privileged to be part of a Catholic school, a community that calls us into a relationship with each other and with God. This school is a place where we not only strive for academic goals but are also invited to grow spiritually, emotionally, and socially. It is in our relationships—with each other and with God—that we find our true purpose and strength. We are called to love and serve one another, to be kind and compassionate, and to reflect God's love in everything we do. In doing so, our goal is to create a nurturing environment where everyone can thrive and grow into the best version of themselves, and when we do get it wrong how do we make it right.

To our parents and teachers, thank you for empowering, supporting, and enhancing the mana of our students. Your love, guidance, and belief in them have brought them to this point. You have planted seeds of confidence, wisdom, and kindness that will continue to flourish in their hearts and actions. Thank you also to the Mission Sisters for your vision and your constant support.

Keep striving for your goals, stay true to yourselves, and always remember that your hard work and resilience will carry you far. Have a safe and happy Christmas.

Meri Kirihimete, kia tau te rangimarie o te Karaiti ki a koutou
